

The logo for School Smart Products features the words "SCHOOL SMART" in a large, bold, yellow, stylized font with a 3D effect, enclosed within a yellow-bordered oval. Below this, the word "PRODUCTS" is written in a smaller, yellow, sans-serif font. The entire logo is set against a dark, textured background.

PRODUCT CATALOGUE

Who are we?

BORN OF A DESIRE TO PROVIDE STUDENTS WITH EXCEPTIONAL PRESENTATION PRODUCTS, SCHOOL SMART DELIVERS HIGH-QUALITY CREATIONS THAT REFLECT THE HARD WORK AND EFFORT PUT IN TO EARNING ACHIEVEMENTS.

Challenge Supply Co was established in 1998 having a background in letterpress printing. In the early stages a range of luxury certificates using the foil-block process was produced for schools. Following on, our product range increased and in 2005 'School Smart' was adopted as a trading name. A couple of years later we had the opportunity to add a floor protection system to our portfolio, marketed as 'Smart Square'. School Smart is now a thriving, well-respected business providing specialist products to the education sector.

Why choose School Smart?

At School Smart we have total belief in our products and what we do - providing our customers with quality goods along with personal service, support and advice.

Our **entire range** of customised presentation products are created in-house by our **talented team** and can be personalised with your establishment name or logo.

We oversee the entire production process from start to finish at our **Doncaster-based** workshop, ensuring each item is **perfectly designed** and manufactured with the **utmost care** and **attention**.

Our **friendly** and **knowledgeable team** are always on hand to assist you, **building long-lasting relationships** that stand the test of time.

Visits to our production facility are welcome, also video calls can be arranged.

And what's more, we give a percentage of our profits to charity each month and hold regular fundraising events throughout the year. So, you can rest assured that by supporting School Smart, you are also supporting some very important charities!

Presentation Wallets

Our popular presentation card wallets can be customised with your establishment name and logo foil-blocked in one of six foil colours on the front. Two glued internal flaps means your choice of certificates or valuable paperwork can be stored securely. Front cover can be folded back, displaying the information, enabling ease of presentation and organisation.

Comfortably fits into a C4 envelope which makes for huge savings on postage in comparison to other traditional wallet sizes. Standard dimensions are 310mm x 215mm x 2mm (w x h x d), designed to hold up to ten A4 papers.

Available in 13 different card colours, with gold, silver, black, blue, red or green foil-blocked print.

When award events take place, it is worthwhile giving some appreciation of the hard work done and achievement made.

This wallet is an ideal product in which to present documents and having the name of your establishment makes them so special.

Ring Binders

Our 2-ring, 25mm capacity, hard-backed ring binders can be personalised with your establishment name and logo. Ideal for students and staff alike who want to keep their notes together or to create a portfolio project.

Need an A4 ring binder? Choose from one of our two popular styles:

REGULAR RING BINDER:
Textured plastic covered rigid ring binder with two 25mm 'O' rings situated on the inner spine.

RENOWN RING BINDER:
With a slightly more luxurious finish, this hard-backed PVC covered ring binder has a 25mm 'D' ring situated on the inner back cover.

Both binders are available in black, blue, red or green with either gold or silver foil-blocked print.

When the academic year is over, students like to look back on all that they have achieved. These Ring Binders are an excellent solution for keeping key documents, paperwork and achievements in one secure place.

Our custom printed ring binders are great for adding a touch of care and forethought to the handover of awards and other key documents.

Smart Square

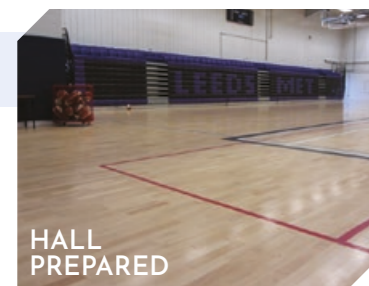

What is SmartSquare?

SmartSquare is a modular floor protection system made up of 2m x 1m modules, which is designed to protect your expensive gym floor and improve acoustics.

Many of our customers who purchase the system for specific yearly or half-yearly events such as Exams ultimately find themselves using the system far more regularly than intended; in fact a whole host of other events open up the possibilities of use. This is mainly due to the lay and take-up time which is generally far shorter than estimated and realisation that the hall can also be part-covered for small events such as evening classes, group discussions etc.

SmartSquare is a unique product and has taken more than 15 years to perfect. The backing is non-slip, non-marking. When SmartSquare is laid there is no need for taping the joints or linking together the modules. The slight down-curl means SmartSquare lays flat and doesn't present itself as a trip hazard.

READY FOR USE

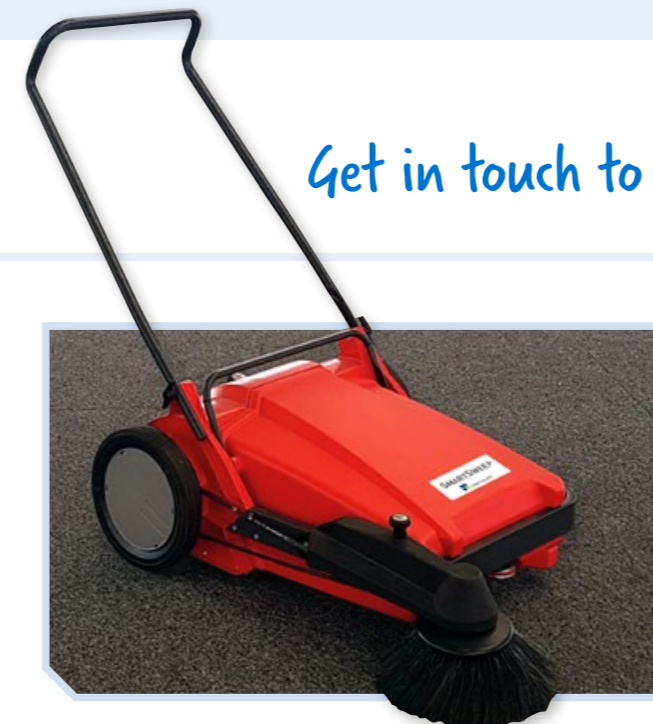

ENJOY LASTING DURABILITY WITH SMARTSQUARE

- A floor protection system that lasts. SmartSquare provides a long-term durable solution.
- The tough synthetic fibres will resist staining and everyday wear and tear.
- Vacuum cleaning is easy when laid and the modules do not move under this pressure.

INSTALLATION WITH SMARTKAR TROLLEYS

- Essential part of the system. Trolleys hold/store approximately 200m² flooring/100 modules.
- Non-marking wheels with directional locks & brakes.
- Essential for laying/taking-up the modules quickly & efficiently.
- Ensures SmartSquare is kept in tip-top condition when stored.

SMARTSWEEP

An entirely manual compact sweeping machine with a 600mm wide sweep. It's ideal for cleaning the floor prior to laying SmartSquare and for cleaning SmartSquare after use, prior to stacking away.

A particularly effective feature is the sweeping and collection capacity, designed to complete a sweep of 2300m² in 1 hour.

CROSS LASER LAYING GUIDE

Ideal for assisting with the initial stages of laying-out SmartSquare, giving clear straight lines to work as a guide, also for positioning of exam desks.

Provides a 360° horizontal and vertical beam which can be seen for up to 35 metres, giving full room coverage with a single set up.

Simple to operate with automatic self-levelling and constant beam. No remote control needed.

Supplied with tripod and compact carry case.

SMARTKAR TROLLEY COVER

Protection for when SmartSquare is not in use and perhaps stored in an outbuilding. Cover made from a Fire retardant PVC material. 1055 x 2163 x 958mm.

Available in Blue, Green or Black.

A non-marking, non-slip floor protection system that lasts!
